It is further the intent of this Ordinance that *legally established nonconforming buildings, structures, uses and signs* shall not be enlarged, expanded, or extended; or be used as grounds for adding other buildings, structures, uses or signs which are prohibited elsewhere in the same district.

- (A) Within the *districts* established by this Ordinance, there exist the following which were *legally established* prior to the effective date of the adoption, revision or amendment of this Ordinance, but which would be prohibited, regulated or restricted under the provisions of this Ordinance:
 - (1) *Nonconforming lots of record;*
 - (2) *Nonconforming buildings or structures;*
 - (3) *Nonconforming uses of land;*
 - (4) *Nonconforming uses within nonconforming buildings or structures;* and,
 - (5) *Nonconforming signs*
- (B) *Nonconforming lots of record, nonconforming buildings or structures, nonconforming uses of land, nonconforming uses within nonconforming buildings or structures, and nonconforming signs* that are either illegal, or not *legally established* on the effective date of this Ordinance, shall not become *legally established* by virtue of the enactment of this Ordinance.
- (C) *Nonconforming lots of record, nonconforming buildings or structures, nonconforming uses of land, nonconforming uses within nonconforming buildings or structures, and nonconforming signs* which are in full compliance with the regulations of this Ordinance pertaining to the permitted *uses and development standards* of the *district* to which the real estate is zoned shall, after the effective date of this Ordinance, be considered validated as *conforming lots of record, buildings, structures, uses and signs* for the purposes of interpreting and applying this ordinance.

3.02 Certificate of Legally Established Nonconforming Use of Land

In order to protect the lawful nonconforming status of a *nonconforming lot, use, building, structure or sign*, a person who owns or operates a *nonconforming lot, use, building, structure or sign* may request a Certificate of Legally Established Nonconforming Use of Land. The applicant, prior to the issuance of the Certificate of Legally Established Nonconforming Use of Land, shall bear the burden of proof to demonstrate that the *lot, use, building, structure or sign* was *legally established* per the requirements of this section. Submitted materials shall include, but not be limited to the following:

- (A) A completed application which shall include at a minimum: legal description of the property; a site location map; property tax identification number; Township Assessor property cards; recorded documents such as contracts, liens, or leases; business records that provide insight into the establishment or continuing use of the property; photographic evidence; *Town* records; and
- (B) Any other information deemed appropriate by the *Zoning Administrator* to determine the legal status of the *nonconforming lot, use, building, structure* or *sign* as a lawful *nonconforming use*, and for the proper administration and enforcement of this ordinance, such as but not limited to: lease and *building* histories, utility bills, city directory listings, historical ads, building permits, zoning and variance histories, affidavits, etc.
- (C) A fee, as established by the *Town*.

3.03 Incompatibility of Legally Established Nonconforming Uses

3.04 Avoidance of Undue Hardship

To avoid undue hardship, nothing in this ordinance shall be deemed to require a change in the plans for or construction of any *building, structure* or *sign*, or the designation of use of any *building* or *structure*, for which an *improvement location permit* has been properly issued prior to the effective date of this ordinance, provided that:

- (A) The construction of such *building, structure* or *sign* is commenced within three (3) years of such effective date of this ordinance;
- (B) Construction of such *building, structure* or *sign* is diligently prosecuted to completion; and,

Where a *legally established nonconforming building* or *structure* exists on the effective date of this ordinance that could not be built under the terms of this ordinance by reason of restrictions on: *gross floor area*; *lot coverage*; *building* height limitations; *front, side and rear setbacks* and *yards*; location on the *lot*; bulk; or other provisions of this ordinance applicable to the *building* or *structure*, such *building* or *structure* may continue to exist so long as it remains otherwise lawful, subject to compliance with the following provisions:

- (A) Such *legally established nonconforming building* or *structure* may not be enlarged, expanded or altered in a way which increases its nonconformity, provided such *building* or *structure* may be altered so as to decrease the extent of nonconformity;

3.08 Discontinuation of Legally Established Nonconforming Uses of Land

If any *legally established nonconforming use*, other than single family, is *abandoned* for any period of time; or is discontinued for more than twelve (12) consecutive months (except, when a probate related court order or governmental action impedes access to the premises), it shall conform to the provisions of this Ordinance.

3.09 Legally Established Nonconforming Uses within Legally Established Nonconforming Buildings or Structures

- (A) If any *legally established nonconforming use* is located within a *legally established nonconforming building* or *structure*, and such *legally established nonconforming building* or *structure* becomes unsafe or unlawful by reason of physical condition and is razed, the *legally established nonconforming use* previously being conducted in such *legally established nonconforming building* or *structure* shall be extinguished and no longer permitted.
- (B) If any *legally established nonconforming use* is located within a *legally established nonconforming building* or *structure* and such *legally established nonconforming building* or *structure* is damaged or destroyed by any means to the extent that restoration will exceed fifty (50) percent of the cost of construction of the entire *building* or *structure* at the time the damage or destruction is reported, as determined pursuant to Section 3.12 Determination of Cost of Construction, below, the *legally established nonconforming use* previously being conducted in such *legally established nonconforming building* or *structure* shall be extinguished and no longer permitted.

- (3) Any improvements to a legally established nonconforming parking area, outside storage area or outside operations area under the provisions of subsection (1), above, shall provide at least 25% of the required landscaping requirements for the underlying zoning district each time such improvement is made.

 - (3) Except as provided for in sub-Section 3.11 (B)(2), above, the removal of a *sign structure* or a *sign* cabinet shall be deemed definitive evidence that such *sign* requires work beyond normal and routine repair and maintenance, and such *sign* shall not be repaired, maintained or reconstructed except in conformity with the provisions of this ordinance;
 - (4) If a *legally established nonconforming sign* is damaged or destroyed by any means to the extent that the repair or reconstruction of the *sign* exceeds fifty (50) percent of the cost of construction of the entire *sign*, determined pursuant to Section 3.12 Determination of Cost of Construction, below, said *legally established nonconforming sign* shall not be reconstructed except in conformity with the provisions of this ordinance;
